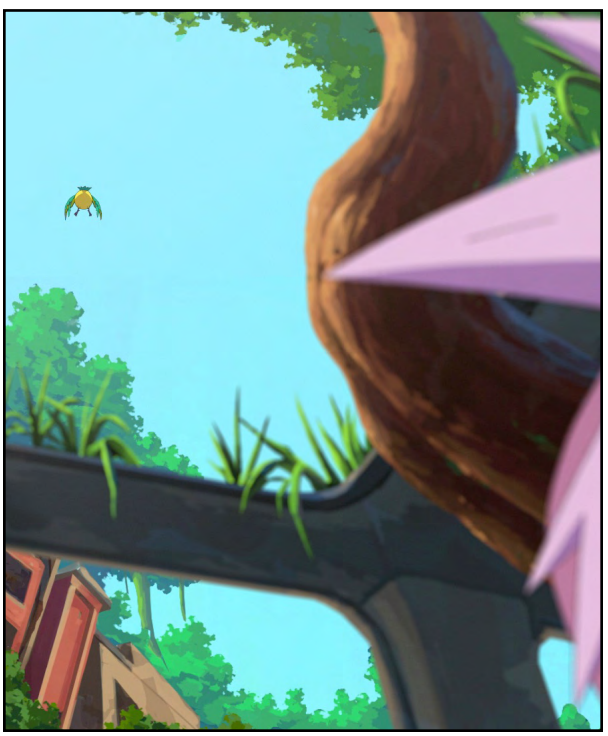
WHOOOOOOSH!
RUMBLE
I'm on the surface!
I'm on
THE SURFACE!

Aaagh, I looked at THE SUN! I'll go blind!
Wait...I can see.
I can't be here! Outta my way, rocks!
DAD! Can you hear me?
Of course not. He could be miles away.
You can do this, Kipo.
Humans lived on the surface for thousands of years. You can handle a few minutes.
You just have to find your way HOME.

FLOWERS! They're a lot bigger than they are in books.
A guitar shop!
EXIT
Up on top, on my own
a human girl so far from home
the flowers are big, the bees are weird
it's dangerous, just like I feared...
on the surface world.
AGGHHH!!!
SCREEECH!

Tweet?



Hmm. Let's see. The current took me left, then right...
And then the loopty-doo.
And then I went way over here, so home must be in this direction.

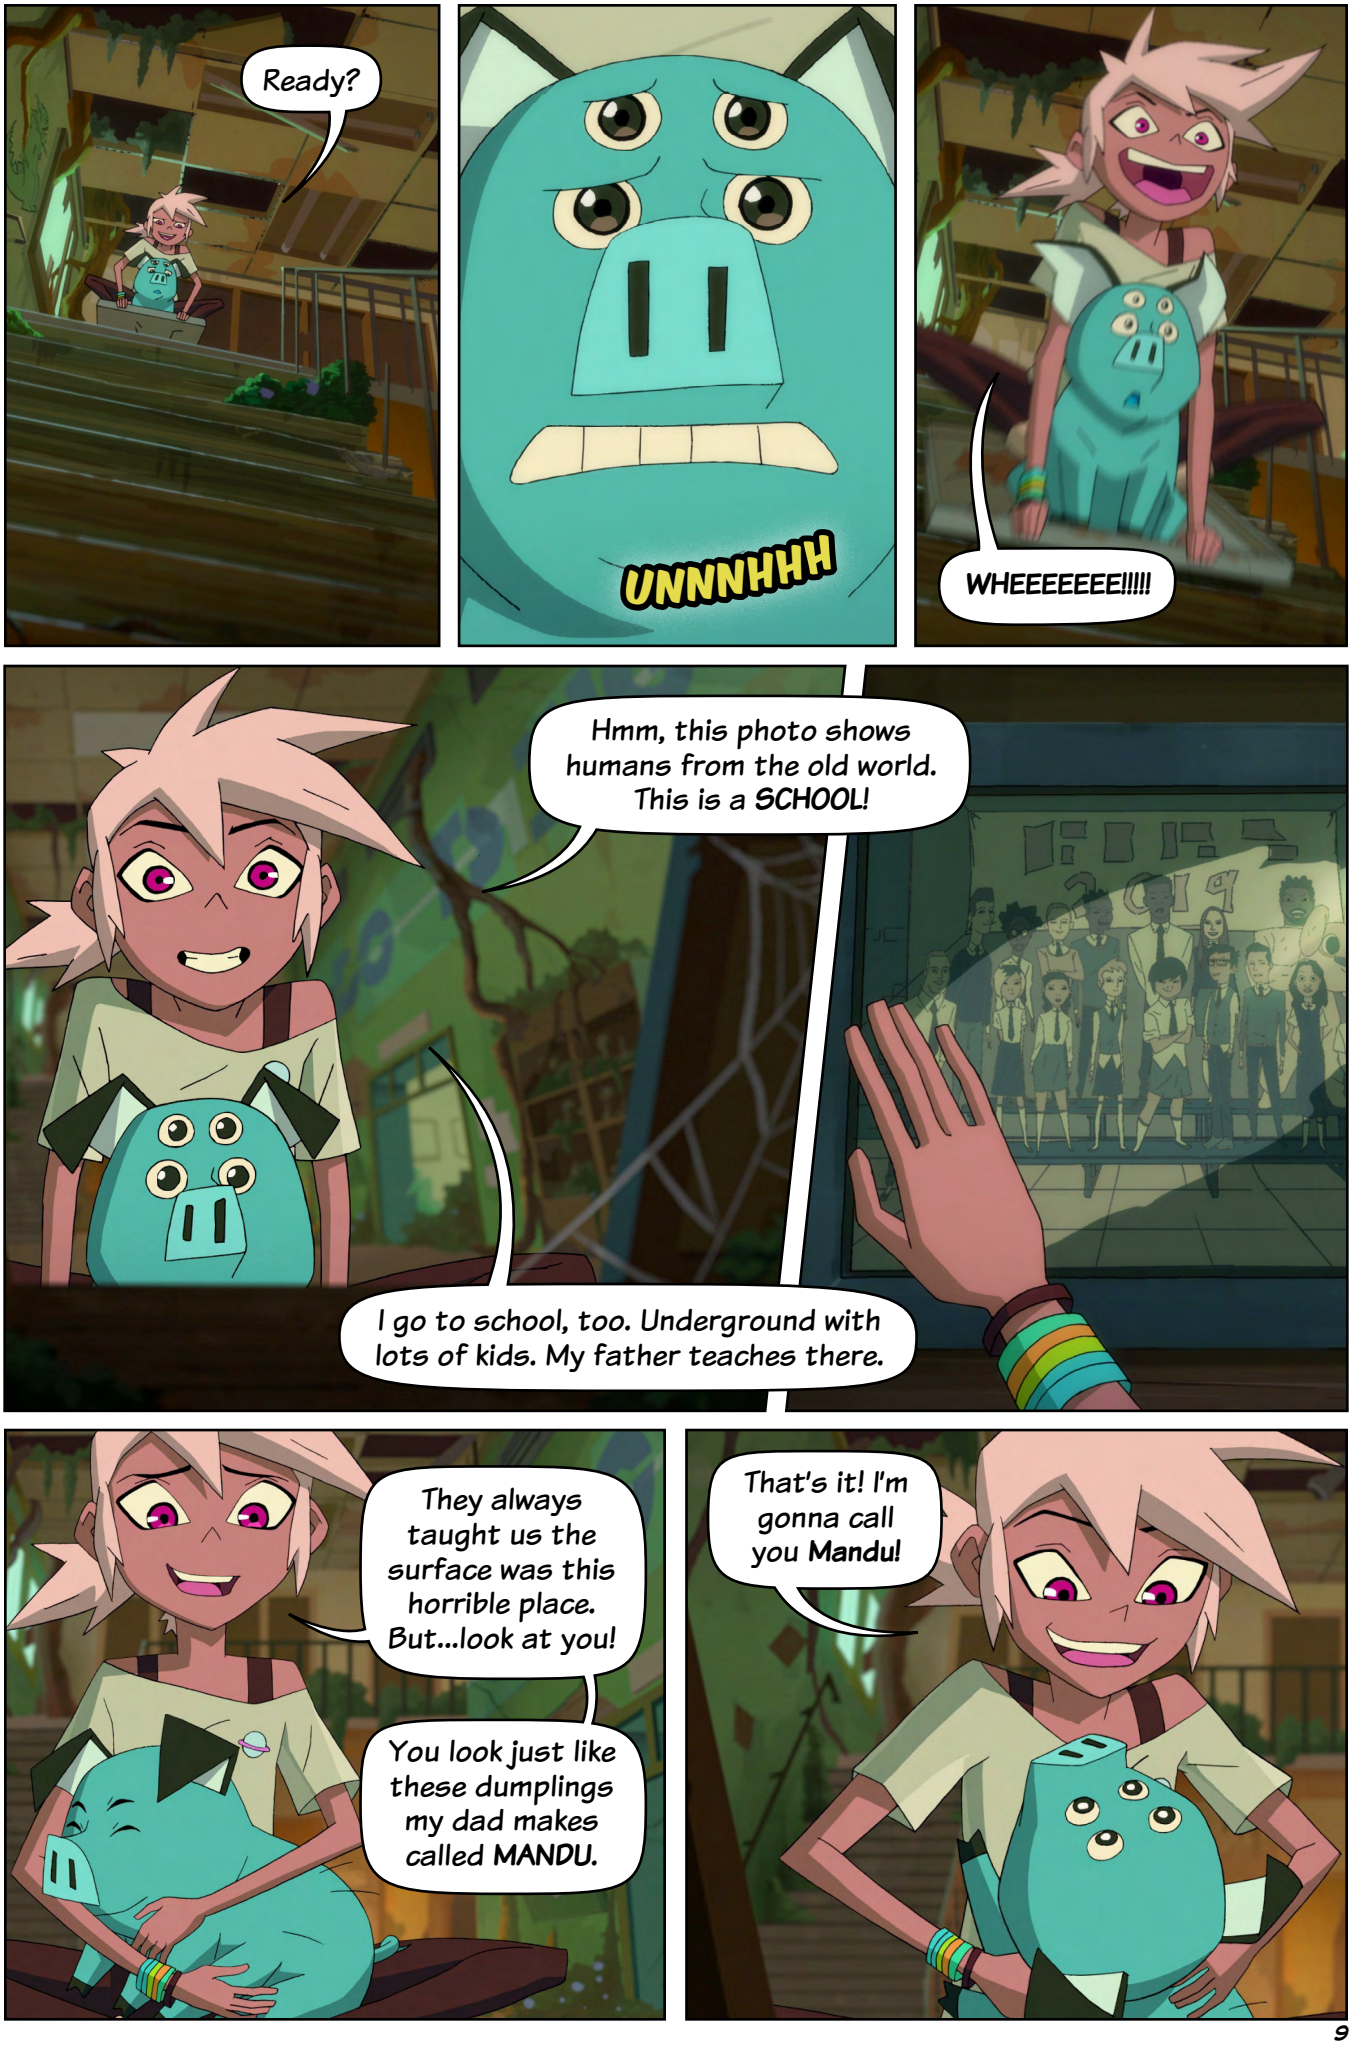
Or was it left, then the loopty-doo? Or loopty-doo, then left?

SNORT

Who are you, little one? You're adorable!
GRUNT
Aaaahhhh!! Sorry. Didn't expect you to come with extra eyes.
Aww. You come with an extra pair of everything.
I have to pet you.
SQUEEE
Wait! Come back!
You can run, pig, but I WILL find you and pet you!

Ooh!
CLOTHING
I somehow feel like I've been wearing you my whole life.

SCHOOL
Piggy!
SCRITCH
SCRITCH
I can help! We have vending machines like this in my Burrow.
You were hungry weren't you?
And when you're done... wanna try something FUN?
MUNCH
MUNCH
MUNCH



Ready?
UNNNHHH
WHEEEEEEE!!!!!
Hmm, this photo shows humans from the old world. This is a SCHOOL!
I go to school, too. Underground with lots of kids. My father teaches there.
They always taught us the surface was this horrible place. But...look at you!
You look just like these dumplings my dad makes called MANDU.
That's it! I'm gonna call you Mandu!

I'm gonna get you, Mandu!
PANT
PANT
GASP
I have to pet this bunny...NOW.
SQUEEE
SQUEEE
Hi! Aren't you fluffy?
PURRRR
There's another one! And ANOTHER!
OK, everyone -- wait your turn!

YAWN
And here's the mother.
Mandu!
SQUEAL!
MANDU!

Can you talk?
I'm no barbarian. If a Mute can talk, it's not chow.
CRASH!
I was wondering when you were going to come out of hiding.
You're HUMAN...
...on the SURFACE?
You don't miss a thing, do you?

Your staff is so... pointy! Where'd you get it?
Off a giant scorpion.
It was trespassing in my camp.
SQUEAL!
Run, Mandu!
You can't eat that pig, she's ADORABLE!
I've eaten plenty of adorable. And lots more adorable has tried to eat me.
Got any hand sanitizer?

You must not be from around here.
Are you one of those underground mole people?
You've heard of us!
I didn't think there were any humans left up here.
For your lost lunch.
MUNCH
GROWL
MUNCH
My name's Kipo. I'm trying to find my way home.
And...maybe YOU could help me find it?
Not my problem.

Hey! HEY!!
First lesson of the surface: Up here, you don't shout.
It's called "ringing the dinner bell."
HEY, WOLF GIRL! YEAH, YOU WALKING AWAY!
I'M STILL TALKING TO YOU!
Fine, I don't need you anyway! I'll find my own--
SMACK

You're not gonna last five minutes here.
Look, I'll help you get home. But after that, I'm done. Got it?
Oh, THANK YOU!
NO HUGGING!
NO TALKING!
Hey, I just realized I don't know your name--
OK...I'll just call you WOLF then!

...It made an entire cliff fall. While I was on it!
And then I landed in the water supply tube and nearly drowned!
MUNCH
At first we thought it was just a Mute passing overhead.
But it felt like an EARTHQUAKE...
Sounds like a Tuesday...
...Listen, Kipo. Lesson Two of the surface: Don't tell ANYONE that story. It could be dangerous if people know you're from a Burrow.
And Lesson Three? Up here, you never pass up a meal.
CRUNNNCH

Can you tell me anything about your Burrow that might help us find it?
Oh, wait! The Clover! We live under this barrier called The Great Clover.
There's the underground irrigation system. Which is...underground.
I've never actually seen it, but we use it as our city emblem.
Hmm. I may know what that is...
We'll make camp here for the night.

So. Many. Sparkles.
Why would humans stay underground when every night they could look up and see THIS?
That must be the Big Dipper! It's part of Ursa Major.
I'm kind of an astronomy buff, even though I've never seen a sky before.
Ooh, and that bright one is Polaris!
You see the one that doesn't make any noise?
Okay, I'll be quiet. You get sleep.
Ooh, Aries! That's my birth sign!
It's supposed to be a ram if you connect the dots--
KIPO!
Oh, right. Shhh.

See anything useful? TAKE IT.
October 23rd, 2020.
Yeah, that milk is expired. By about 200 years.
Stain remover? No offense, but your shirt may need a full spin cycle.
FOUND IT!
99%
WHOA!
BOOOOM!!!
Definitely a Mega Bunny.

I saw that Mega Bunny earlier.
The little ones are so cuddly!
You touched THE BABIES?!
Don't you know you can't touch the babies?!
You're covered in their scent!
CRASH!
Aisle eight... BINGO.
SNIFF
STOMP
STOMP
STOMP
Pretty sure you got the baby scent off me.
PSSSSST
It's a good thing I found a second bottle.
This scent is called Summer Rain.
COUGH
COUGH

If we run into any...THING, act like you're from the surface.

From the surface. Got it.
Where life is hard! And ya gotta be tough as nails!

Whoa, what's that?

There's so much to see when you're not in a cave!

That must be it! It looks just like the clover in our emblem.
So...that's MY HOME.

It's half a day's walk from here. We'll have to get over Skyscraper Ridge.

I wish I knew how to repay you.
If you wanted to stay with me, I'm sure there'd be a place for you in my Burrow.

And go all soft and mushy like the rest of you mole people? No thanks.

SLURRRRP
AGGGHH!!
AGGGHH!!

HUMANS.
MOD FROG!
OOF!
SPLAT
Ink on my shirt! It won't come out!
Careful, that's one of the Mod Frogs.
You do not want to mess with them. They HATE humans.
By the way, did I mention... we have THIS?
Spot remover? GIVE IT TO ME!
Kipo! RUN!

This does not get old...
Lesson Four of the surface? Looking up gets you killed.
Mandu! You came back!
SQUEEE
Oh, Burrow Girl! I figured out where you're from!
You could lead us to the MOTHER LODE of humans.
VROOOM!

When he wakes up, he'll have a bad headache.
And possibly some memory loss.
We'll hole up here.
Normally at night I'd be at home doing my homework...
Maybe eating a muffin...
NOT RUNNING AWAY FROM HOMICIDAL FROGS!
WAAAHHHH!

There's a baby here. WHY IS THERE A BABY HERE?
WAAAHHHH!
This must be where they're hiding!
CRASH!
We have to shut that thing up!
WAAAHHHH!
WAAAHHHH!
A Mute? You gotta be kidding me!
Come on, it's STILL a baby.
CLANG
CRASH!
RUMBLE
Check every room! We must find those HUMANS!

Know any grub nursery rhymes?
WAAAHHHH!
WAAAHHHH!
TO BE CONTINUED...
